Our students bring ambition, curiosity, and determination to everything they do and at NLCS (Singapore), we are proud to walk alongside them every step of the way.

Our Class of 2026 have secured places at the world's most prestigious universities, from Oxford and Cambridge to Imperial College London, Cornell, Stanford, HKUST, HKU, and the University of Melbourne, a reflection of their hard work and the confidence they have built to compete on the global stage.

Behind each offer is a student who has been inspired to think independently, supported to grow in resilience, and guided to discover where their strengths can take them. Since our founding in 2020, NLCS (Singapore) has established itself as a premier destination for students aspiring to the world's top universities, demonstrating their confidence to compete and thrive on the global stage.
